TENNIS COURTS

Court Regulations:

- The tennis courts are meant for tennis only with the exception of periodic special neighborhood events (i.e. kids activity for Easter parties) as long as they don't pose a risk to the health of the courts.
- Prohibited items and activities on the courts include but are not limited to: cleats or dark soled shoes, and playing sports other than tennis.
- Court hours are 7:00AM-10:00PM and up to 11:00 PM if playing in an official singles or doubles league match.
- Proper tennis attire required
- Courts 3 and 4 are designated for Junior's play with special court lines.
- Lights to be turned off at completion of night matches, squeegees returned to holders.

Court Reservations:

- Court reservations will be made on the website www.reservemycourt.com. Contact the tennis coordinator (mfsctennis@gmail.com) for the current website password.
- Reservations are limited to 2 hours, one reservation per member per day.
- Scheduled team matches take precedence over general member play. At least one (1) court will remain unassigned for Member play during ALTA & USTA team play; except when two (2) teams are both playing home matches during the same time slots.

All Tennis Rules and Court Regulations to be posted on the MFSC website.

Key court regulations (i.e. what is allowed on the courts) will also be posted at the entries to Court 1 and Court 3.

Teams:

- Any group of players who wish to form a new team must notify the Coordinator of their intentions in order to assure court availability. Existing teams must notify the Coordinator of their intentions to continue play or of their dissolution prior to the start of each session.
- Prior to each session, teams should elect a captain and co-captain. The named captain must be a Member of the Mayfair St. Clair Swim and Tennis Association; the co-captain may be a non-Member.
- While any Member may not be denied a place on any team's roster, consideration should be made as to the future level placement of a team by ALTA or USTA as a result of that new member's participation. For example, a player who plays on an ALTA A level team cannot join a C level team and cause the team to play at a higher level without the majority consent of the team.
- There is no limit to the number of members on any team. The intention is that Members will play a minimum of two (2) matches, unless prohibited by the number of players on the team.
- Only Members of the Mayfair/St. Clair Swim Tennis Association and players who live outside of Mayfair/St. Clair who have been invited to play on a team may play on a Mayfair/St. Clair tennis team. Outside adults will pay \$20.00 per person per season. Outside Junior players will pay \$15.00 per person per season. Fees must be paid before a player is scheduled to play in a match. It is the team captain's responsibility to see that the fees are collected and players are scheduled.

- At their discretion, the Tennis Coordinator can ask for any ALTA, USTA or other team league Rosters to ensure Tennis Rules are being properly followed. Players who are not Members, or ineligible outside players may be removed.
- Failure to adhere to any of the rules by a team may result in sanctions against that team to be imposed by the Board of Directors working with the Tennis Coordinator.

Team Court Scheduling:

- Teams are required to provide a copy of their official ALTA or USTA schedule to the Coordinator before matches start so that courts can be reserved and conflicting schedules can be addressed.
- Team Captains must request practice time. Practice times will be reserved by the Tennis Coordinator on the scheduling website. Maximum practice times are 2 hours.
- Rescheduling practices due to weather or other circumstances is possible depending on court availability. The Coordinator must approve make-up practices.
- Make-up matches may be scheduled individually or as dual meets. Before scheduling a dual make up meet, contact the Tennis Coordinator to gain approval.
- Also, make-up matches typically take precedence over non-coached practices. If you need to use a non-coached practice time though, gain approval from the Tennis Coordinator first.
- Coached practices may not be bumped for make-up matches, unless it is the last week of the season. Makeup matches cannot play into or delay a scheduled league match.
- Each team is required to clean up the tennis area after their home matches and practices, including emptying court trash cans.
